IT-ELECTRON IS THE OFFICIAL DISTRIBUTOR OF THE FOLLOWING COMPANIES:

SLK SUPERLINK
— Linking the World —

Cables for high-speed
data transmission.

RADITEK Inc. USA

Radio-frequency, microwave and
wireless telecommunications
solutions for components, modules
and systems.

PJSC "Plant named
after G.I. Petrovsky"

Space Load Shock-Absorbers of APN,
APNM series for the protection
against the effects of vibrations from
the aviation equipment operating in
severe conditions.

SJM

SJM PREWELL

Monolithic microwave
integrated circuits for wireless
communication.

Microwave filters & tvc
Microwave components for telecommunication systems

Components for radio-communication
and microwave systems for
the full range of frequencies
(from 10 to 80 GHz).

MEBOH

OJSC "Mezon Plant", Saint Petersburg

Tantalum oxide-semiconductor
capacitors; pulse capacitors with
integrated dielectrics; Ni-MH
rechargeable batteries and
accumulator batteries.

QUALITY

IT-Electron's quality policy complies with all the requirements of the Quality Management System, QMS.

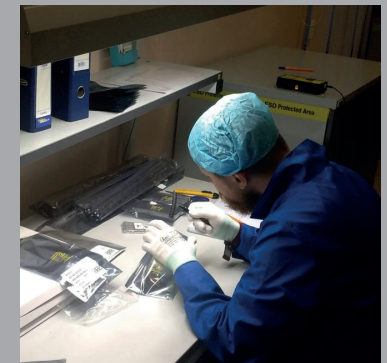

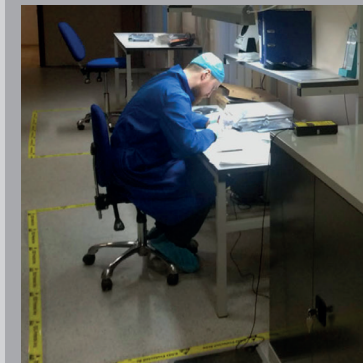

Our company has received all the necessary certificates applicable in the Russian Federation and in compliance with GOST ISO 9001-2015, GOST RV 0015-002-2012.

Certificates are valid for the purchase, storage and delivery of electronic components.

We offer products only from certified manufacturers.

Our high qualified specialists will assist you timely for any needs
